THE CONSTITUTION

1. Preamble

a. Name and Objects

- i. This association shall be known as the St Hilda's College Junior Common Room ("the JCR").
- ii. The aims and objectives of the JCR are:
 1. To promote the academic, financial, social, and general interests of its members.
 2. To represent the opinions of its members in the affairs of St Hilda's College ("the College"), in the affairs of the University of Oxford ("the University"), in the affairs of the Oxford University Student Union ("Oxford SU") and in other relevant student bodies.
 3. To provide facilities and services for members' recreational and leisure time activities in the interests of their social welfare and personal, physical, and cultural development.

b. Membership

- i. All members of the college reading an undergraduate degree, including all fourth-year scientists, fourth year, fifth year and sixth year medics, shall be deemed to be members of the Junior Common Room (JCR), unless they express a desire otherwise. All members will be informed by the beginning of third week Michaelmas term of their right to opt out of the JCR. A wish to opt out shall be sent to the JCR Secretary in writing by the end of third week Michaelmas. The wish to opt out may be withdrawn at any time, by following the same procedure.
- ii. Extraordinary Members of the JCR may be elected by a special majority of a quorate JCR meeting. Extraordinary Memberships can be offered to those who would not naturally qualify for JCR membership under the categories laid out in section 1.b.i, but where membership would be beneficial to both them and the JCR. This may include, but is not limited to, visiting students, graduate students or former JCR members remaining in Oxford for further study or sabbatical roles. Motions to instate Extraordinary Members should include a date for the expiration of this status. They will have equal access and rights as that of an ordinary member whilst they hold Extraordinary Member status but are not permitted to bring forward motions to the JCR.
- iii. Honorary Members of the JCR may be elected by a special majority of a quorate JCR meeting. Honorary Membership can be offered to distinguished and notable members of society or the College community. Honorary Memberships are lifelong but can be revoked by a special majority of a quorate JCR meeting. Honorary Members have access to JCR facilities and meetings but cannot vote or bring motions. A list of JCR Honorary Members should be displayed on the JCR Website.
- iv. Senior status students may subscribe to the JCR or MCR as they choose.

c. Documents

- i. It shall be the responsibility of the Executive JCR members to publish the constitution on the JCR website.
- ii. It shall be the responsibility of the JCR Secretary to provide copies of the constitution for any JCR member on request.
- iii. A copy of the minutes from each JCR General meeting shall be emailed to all JCR members within four days of the said meeting.
- iv. Minutes will be discussed and approved at the start of the next JCR General meeting. In the event of disagreement, the matter should be decided by vote. The

Secretary shall then amend the minutes in accordance with the outcome of the vote.

- v. A copy of the outline of each committee meeting shall be available for inspection by any JCR member not more than four days after the said meeting and shall be approved by the committee at the following meeting.
- vi. A copy of the JCR budget for each term and an overview of the accounts shall be posted on the JCR Facebook page at the beginning of each term. On request any JCR member can ask the JCR Treasurer for a detailed breakdown of JCR spending.

d. Affiliations

- i. The JCR will debate affiliation to Oxford SU and the NUS every two years, unless a motion is proposed by any student who wishes to discuss the issue sooner.
- ii. The JCR may not affiliate to any political organisation unless the aims and objectives of such an association directly pertain to students at St Hilda's.

e. Definitions

- i. 'Governing Body' shall refer to the Governing Body of St Hilda's College, Oxford.
- ii. The 'JCR' shall refer to the Junior Common Room of St Hilda's College, Oxford. This group's membership is defined by Section 1.b of this constitution.
- iii. 'JCR Space' shall refer to the physical Junior Common Room as well as the Old Law Library.
- iv. The 'MCR' shall refer to the Middle Common Room of St Hilda's College, Oxford.
- v. 'Official Documents and Publications' shall include any documents or publications which do one of the following: include St Hilda's College logo, uses the JCR name, or comes from a JCR Officer acting within the capacity of their role.
- vi. 'Online Vote'- An Online Vote is a JCR tool to gain a greater consensus on any decision. All Constitutional Amendments, Amendments to Standing Orders, Motions of Resignation or motions requesting over £500 require a ratifying online vote. The same is true for the termly budget. Online Votes can also be called on other matters as laid out in Standing Order 3.f. ii. Voting for Online Votes should be open for 24 hours, and voting can take place via any online voting platform the Executive Committee deems appropriate. It should be ensured that each JCR member can only vote once. Notice of an Online Vote should be published to the JCR email list and on the JCR Facebook Page. The communication and execution of a referendum is the joint responsibility of the Returning Officer and Secretary.
- vii. 'Policy' shall refer to JCR Policy, which shall be adopted via the process laid out in Standing Order Five. Current JCR Policy should be displayed on the JCR Website, and kept in JCR archives. Policy documents may be written about any course or principle of action proposed for adoption by the JCR.
- viii. 'Quorate'- Quorate is the attendance or participation level required for a JCR mechanism to be valid. Quorum shall be different depending on the setting:
 1. A General Meeting of the JCR will be deemed quorate when 35 JCR members are present, including 10 non-committee members, as laid out in Section 3.g.ii of this constitution.
 2. An Extraordinary Meeting of the JCR will be deemed quorate in the same way as a General Meeting of the JCR.
 3. An Online Vote will be deemed quorate with 35 votes cast including abstentions.
 4. A Referendum will be deemed quorate with 30% of JCR members casting a vote (including abstentions). This figure shall be confirmed by the Secretary and Returning Officer. N.B. in cases where the list of eligible voters is

restricted to a subsection of the JCR (i.e., Standing Order 7.b), quorum shall be 30% of this group.

- ix. 'Referendum' – A Referendum is a vote that takes place online, open to the whole JCR, to decide a binary question. Voting should be open for 48 hours and notice of a Referendum should be published to the JCR email list and on the JCR Facebook Page. The communication and execution of a referendum is the joint responsibility of the Returning Officer and Secretary. A Referendum should be carried out using the SU voting platform. A Referendum will take precedence over all other JCR decisions. Referendums can be called via the methods laid out in Standing Order 4.
- x. The 'SCR' shall refer to the members of the Senior Common Room of St Hilda's College, Oxford.
- xi. 'Senior Status Students' are students completing their second undergraduate degree, or their first degree over the age of 21.
- xii. 'Special Majority' – Special Majorities are required for certain decisions in the JCR to pass. A Special Majority in any form requires quorum for the relevant mechanism (different quorums apply for different settings, see Section 1.e.viii). Once quorum is attained, a Special Majority requires that two thirds of the total of votes for and against the motion, be in favour of the motion. As such abstentions are counted as votes neither for nor against the motion. For example, if attendance were 60, with 30 votes in favour, 5 votes against and 25 abstentions the vote would pass with a supermajority, given that 86% of votes (excluding abstentions) were in favour of the motion. This is in line with JCR constitutions across Oxford.

2. Equal Opportunities

- a. Any member of St Hilda's JCR may take part in the activities of the JCR, subject to the proper payment of subscriptions. The JCR will actively promote an environment of tolerance and respect within the College and the University. All members of the JCR Committee will conduct themselves without prejudice in respect of gender, ethnicity, sexuality, disability, faith or any other characteristic protected under the Equality Act of 2010. Nor will they act in any way that might be considered discriminatory or defamatory towards others.
- b. The JCR Committee will be expected to act according to these principles in the management of the JCR and take all reasonable steps to ensure that all JCR members do so whilst engaging in the activities of the JCR. The JCR President and Vice President should prioritise ensuring these principles are upheld by the JCR Committee. If a Committee member is believed to have failed in their duty to uphold the commitments outlined in 2.a, either in their role or outside of their role in a way which affects their ability to complete their role, this is ground to seek their removal from office via the procedure laid out in Section Four, Part C, iv-vii.
- c. No leaflets, posters, minutes, or official documents will be created by the JCR in the conduct of its activities that may be deemed sexist, racist, homophobic, transphobic, defamatory or discriminatory (or anything else referred to in article 2.a) by others. Nor shall material of the aforementioned kind be distributed by an external body via official JCR documents or publications, or within the JCR space.
- d. The JCR members are expected to adhere to the University Equal Opportunities and Harassment codes and are subject to the disciplinary procedures as laid out in the St. Hilda's College Student Handbook and the University of Oxford Student Handbook.
- e. Any member of the JCR wishing to make a complaint should do so following the procedure outlined in Section Six of the Standing Orders.
- f. Maintenance and promotion of the values outline in section 2.a within the JCR community, space, documents, and publications should be a priority of the President, and their ultimate

responsibility. The Liberation Committee should seek to promote these values as one of its primary aims and report concerns or suggested changes to the President.

3. Meetings

- a. There shall be in every full term at least three general meetings of the JCR, to be convened by the President.
- b. The President shall decide dates of such meetings, but the first must be held between the first Sunday of full term and the third Monday, and another must be held between the sixth Sunday and the eighth Friday.
- c. The Secretary shall post notices of forthcoming general meetings and the deadline for submission of motions three days in advance of the date of the meeting. They shall also post agendas one day in advance of JCR general meetings. Agendas must be posted on the JCR Facebook page a minimum of 24 hours prior to the meeting. The minutes of general meetings will be circulated by the Secretary in their next weekly email, along with a reminder of the submission deadline for future meetings, and the location of future agendas.
- d. JCR General Meetings shall be chaired by the JCR Vice President, acting as an independent Chair. The Chair should act according to Section 1.d of the Standing Orders of the JCR.
- e. Emergency motions on matters (other than constitutional amendments and motions of resignation) arising after the latest time for the receipt of motions may be accepted by the Chair at their discretion, in consultation with the Executive Committee. In the result of a disagreement the Chair has final discretion. It should be deemed that the motion in question cannot wait until the next general meeting, due to time sensitivity on its resolution.
- f. Extraordinary General Meetings shall be convened by the President at the written request of twenty-five JCR members or five JCR committee members, or at the discretion of the President. Such meetings should be called when it is believed that the resolution of a motion is required before the next General Meeting. Every effort should be taken to resolve the motion without calling an Extraordinary General Meeting. Notice of an Extraordinary General Meeting should be posted by the Secretary via email and the JCR Facebook Page, no less than 24 hours prior to the meeting. Adapted Standing Orders for Extraordinary General Meetings should be followed as laid out in Standing Order 2.
- g. Conditions of meetings:
 - i. All JCR members have the right to speak when called upon by the chair.
 - ii. For a general meeting to be deemed quorate, 35 members must be present, including 10 non-committee members.
 - iii. A count should be taken by the Chair and one other member of the Executive Committee at the beginning of the meeting to judge if the meeting is quorate. If the meeting is deemed inquorate then the Chair will call the meeting to Online Vote as laid out in Standing Order 3.e.i.
 - iv. JCR members, excluding honorary members, may vote on all issues.
 - v. Decisions shall be taken by a simple majority of a quorate JCR Meeting or Online Vote except on issues requiring a special majority as laid out in section 3.g.vi-viii.
 - vi. Decisions on issues of Resignation, Constitutional Amendments and Amendments to the Standing Orders shall only be passed by a Special Majority in a quorate JCR general meeting, and an Online Vote.
 - vii. Decisions on issues of Policy require a Special Majority in a quorate JCR meeting to pass.
 - viii. Decisions on motions requesting more than £500 require a simple majority in a quorate JCR meeting, as well as a simple majority in an Online Vote.
 - ix. The JCR decision is final.

- h. The provisions for the conduct of meetings should be followed and are set out in the Standing Orders.

- ii. Each JCR Committee member is responsible to the President and to the JCR for the fulfilment of their duties and must be prepared to answer questions regarding the conduct of their duties at any type of JCR meeting.
- iii. If a committee member is thought to have failed in any of their duties, responsibilities, or obligations, they may be asked by the President to tender an honourable resignation. If they do not offer their resignation the President must table a Motion of Resignation at the next general JCR meeting, calling on the committee member to resign. This motion requires a Special Majority of a quorate JCR Meeting to pass. If this is achieved, an Online Vote on the matter shall be called, requiring a simple majority to pass. If the Online Vote passes the committee member will be removed from their position. If the Committee Member resigns at any point during the process, there is no need to continue to the next step.
- iv. If any JCR member other than the President wishes to call on a Committee Member to resign, they should, in the first instance, express their concerns to the JCR President. If they are unsatisfied with the response of the JCR President, they may table a Motion of Resignation by providing the signatures of at least 50 supporters of the motion to the JCR President at least 48 hours before the next general meeting. If this threshold is achieved the Motion of Resignation will be tabled and the process will be as laid out in section 4.c.iii.
- v. If the President is thought to have failed in their duties, responsibilities or obligations to the JCR, a Motion of Resignation must be submitted to the JCR Vice-President and Secretary with the signatures of 50 supporters, no later than 48 hours prior to the next general JCR Meeting. Such a motion may only be passed by a Special majority of a quorate JCR meeting. If such a motion is passed, the President has the right to call a referendum (note the distinction between a referendum and online vote laid out in the definitions and clarified in Standing Order 4.d) which requires a simple majority to pass. If the President resigns at any point during the process, there is no need to continue to the next step.
- vi. All JCR committee members shall be responsible for keeping an updated noticeboard, writing entries to Loo News and posting on the JCR webpage and Facebook to keep the JCR informed as appropriate.

Elections

- a. All JCR members are eligible to vote, subject to clauses 5.b.xi and 5.b.xii
- b. The method for the election of the JCR Committee will be:
 - i. All elections shall be by single transferable vote (STV).

- ii. R.O.N. (Re-Open Nominations) shall be a choice on the ballot paper for the election of all JCR committee posts.
- iii. All voters shall be made aware of the fact that a R.O.N. vote is not an abstention but provides the option of registering a negative vote against the candidate(s).
- iv. The Returning Officer must approve all posters that candidates wish to be displayed. The Executive Candidates are allowed forty posters, while all other candidates for the JCR committee are allowed twenty posters. These must only be displayed on JCR notice boards, or in appropriate areas around college, at the discretion of the Returning Officer. Under no circumstances should any of these posters be displayed on the St Hilda's JCR Facebook Page or on any of the St Hilda's JCR social media accounts.
- v. Information will be given verbally by the Returning Officer at the commencement of hustings for Officers outlining what a R.O.N. vote is. This information must also be published in all emails distributed by the Returning Officer about candidates.
- vi. There must be no campaigning for R.O.N. whatsoever. Any campaigning for R.O.N. should be drawn to the attention of the Returning Officer, who will inform the JCR.
- vii. If R.O.N. wins the first election, nominations for that position shall be re-opened. A second election shall be held, allowing at least 5 days before the close of nominations, in which R.O.N. shall still be an option. Candidates from the first election may re-nominate themselves and new candidates are also welcome.
- viii. If R.O.N. has won three separate elections for the President in one year, the position shall be co-opted for the period of the summer vacation and the following three weeks of Michaelmas term to the Vice-President and the responsibilities of the JCR Vice President should be shared between the Treasurer and Secretary. The procedure for this co-option shall be as laid out in 4.b.ii.13. There shall be a by-election in 2nd week of Michaelmas term.
- ix. If an Officer Post has had more than two R.O.N. results, then that position shall be co-opted to another Officer for the vacation pending a by-election in 2nd week the following term. This decision should be ratified in the next JCR general meeting.
- x. If there is no candidate for a post by the closing date, there shall be no election for said post and nominations shall be re-opened. If candidates subsequently present themselves for election, they must still stand against R.O.N.
- xi. In accordance with the standard practice across Oxford JCRs and Student Unions across the UK, when electing the womxn's officer, only those who identify as a woman or as a non-binary gender may vote. Those who believe they should be eligible to vote will be asked by the Returning Officer to register do so before the election.

- xii. Since the positions of LGBTQ+ Officer(s), BME Students Officer, Disability, Health Conditions, and Neurodiversity Officer, International Officer and Transgender Students Officer are, in part, representatives for their respective communities, they should only be voted on by those who identify as belonging to those communities. Therefore, as with the election of the Womxn's Officer, those who believe they should be eligible to vote will be asked by the Returning Officer to register to do so before the election.
 - xiii. Only those who are able to vote for a position (see 5.b.xi/xii) are allowed to stand for election to that position, except in exceptional circumstances.
 - xiv. Special election rules apply for the election of the LGBTQ+ Officer(s) and the Disability, Health Conditions and Neurodiversity Officer as outlined in 4.b.ix.1 and 4.b.xi.1 respectively.
- c. Restrictions on who may stand for JCR Committee.
- i. No committee member may hold the same post for more than two years.
 - ii. No person who has held the office of President for more than eight weeks may then seek election for any position on committee.
 - iii. No JCR committee member should hold more than one position on the JCR committee. However, in exceptional circumstances (which the committee member must explain to the JCR), a member may hold the positions of LGBTQ+ Officer, BME Students Officer, Disability, Health Conditions and Neurodiversity Officer, International Officer or Womxn's Officer in conjunction with another position. However, this should only happen in *extremis*, and candidates who are not applying for, or who do not hold, other committee positions should be given precedence.
 - iv. It is only possible to run a joint campaign for the positions of Bar Managers (maximum of three managers), Entz Officers (maximum of three officers), Buttery Managers (maximum of three officers), Freshers' and Finalists' Officers (two officers), Charities Officers (two officers) and Ball President (one president or two co-presidents). The operation of any other form of a 'slate' is strictly forbidden. It shall be the responsibility of the Returning Officer to bring any such unfair play to the urgent attention of the JCR who must then decide what action should be taken.
- d. Timing of elections for JCR Committee
- i. Elections shall be held every Trinity term at the discretion of the JCR Committee. These elections shall be timetabled by the Returning Officer, subject to committee approval. Ideally, the hustings shall follow JCR meetings which take place fortnightly on Sundays. The final hustings must take place no later than the sixth week of Trinity term. Online elections shall then promptly follow. Hustings can be grouped however the Returning Officer sees fit, but the Executive Committee must be elected first, followed by any additional roles that require the Dean's permission to run. In the event that the positions are not filled, they may roll over to the next set of hustings in order to field more candidates.
 - ii. Hustings shall be arranged to ensure that each candidate is given sufficient time to answer questions appropriate to the position and, if necessary, shall take place over several days.

- iii. Elections for Transgender Students officer must take place before elections for LGBTQ+ Officer. If no candidates enter this election, then the role of Transgender Students officer will be automatically co-opted by the LGBTQ+ officer.
- e. Conduct of elections for JCR Committee.
 - i. Manifestos must include a photograph of the candidate and must be posted in the area designated by the Returning Officer, at least 48 hours before the election is due to be held.
 - ii. Executive candidates are allowed a maximum of forty A4 campaign posters which must be approved by the Returning Officer before posting.
 - iii. All other candidates may have up to twenty A4 campaign posters which must be approved by the returning officer before posting.
 - iv. Election expenses up to a maximum of £12 for Executive candidates and £8 for all other candidates shall be refunded by the JCR Treasurer on production of receipts.
 - v. The conduct of an election may be challenged at the next JCR meeting. The JCR may reject or uphold a complaint after hearing all the evidence. Should the complainant be dissatisfied with the outcome, then they can take matters further as set out in the complaint's procedure in Standing Order 6.
- f. Returning Officer:
 - i. The College Returning Officer for statutory annual Oxford SU elections will also act as JCR Returning Officer.
 - ii. Under no circumstances should the JCR President act as Returning Officer.
- g. Vacancies on the JCR Committee:
 - i. If any committee post becomes vacant in Michaelmas or Hilary term, a by-election must take place as soon as possible. The newly elected officer shall serve until the end of Trinity term but may stand for re-election for that or any other post.
 - ii. No election need take place should a vacancy arise in Trinity term. The JCR committee may co-opt someone to fill the post and should obtain ratification at the next JCR general meeting.
 - iii. If a vacancy for the post of President arises in Trinity term, the JCR Vice President should assume this position and the responsibilities of the JCR Vice President should be shared between the Treasurer and Secretary.
 - iv. In exceptional circumstances, a committee post may be left vacant, the duties of that post being shared among the remaining members of the committee.
 - v. Chain of Succession of the ranking JCR Member:
 1. Ordinarily the JCR President is deemed the 'ranking member of the JCR', meaning they hold the highest authority as laid out in the Constitution.
 2. In the event that the JCR President resigns the Vice President will be the ranking member of the JCR until a new President is elected (either by by-election, or the next ordinary election if in Trinity Term).
 3. Should the Vice President also resign, or the Vice President role be already vacant, the Treasurer becomes the interim ranking member, for the purpose of holding new elections.

4. If the Treasurer role is also vacant/resigned, then the Secretary becomes interim ranking member.
5. In the case that the entire Executive Committee becomes vacant, the Returning Officer should become the interim ranking member.
6. If the Returning Officer role is also vacant then the remaining Committee members should hold a vote to elect the interim ranking member.
7. In an extraordinary situation where the whole JCR Committee becomes vacant the most recent, willing, former JCR President should become the interim ranking member.

- h. Partial vacancy of a group position:
 - i. If a member of the JCR committee resigns who holds a position as part of a group, and the remaining holders of this position feel they require a replacement, the vacancy will be advertised in Loo News, a General JCR Meeting, and via email.
 - ii. Applications in the form of an electronic CV noting any relevant experience will be received for a period of five (5) days from this time and should be submitted to the President via email before the stated deadline. The Executive Committee will then work with the remaining members of the group position with a vacancy to select a candidate pending approval.
 - iii. The JCR's approval of the candidate will then be sought via an online vote requiring a simple majority.
 - iv. Should the candidate receive the approval of the JCR, their appointment will be effective immediately.
- i. Appointed Roles:
 - i. In order to restrict the number of husts, and to make JCR participation accessible to those who do not necessarily feel comfortable husting, the JCR has the ability to designate certain roles as 'appointed' rather than 'elected'.
 - ii. Appointed roles will not sit on the JCR Committee, instead they will be designated a relevant Committee member to represent their interests on Committee, and to oversee their work. This Committee member will be outlined in their constitutional definition.
 - iii. Currently, the JCR appoints only an Inreach Officer (Section 4.b.xxvi)
 - iv. Notice for nominations to an appointed position should be posted on the JCR Notices Facebook Page, and circulated via email, at least a week prior to nominations closing.
 - v. To nominate, candidates should send a short letter (max 500 words) outlining their relevant experience, and why they would like to take on the role.
 - vi. The candidates will then be interviewed by a panel consisting of: One member of the Executive Committee, One Welfare Officer, the role's designated committee member, any other committee member's the Executive Committee deem relevant.
 - vii. Any JCR Member who believes they will be represented by the appointed role may request to sit in on these interviews. They may submit suggested questions to the interview panel, and the interview panel should ask for their views at the end of the interviews.
 - viii. The Interview Panel will decide on the candidate they believe is best suited to the role, voting if necessary. In the event of a tie, the casting vote will go to Executive Committee member of the panel.
 - ix. The JCR should be notified of the appointed candidate via JCR Notices Facebook Page and Email.
 - x. If any JCR Member has concerns about the appointee, or the appointment process, they should first raise these with the President. Beyond this, the procedure to remove an appointed officer from their position is the same as with all elected officers and is laid out in section 4.c.iii-iv.

6. JCR Funds

- a. The JCR treasurer shall produce a termly budget which shall be ratified by the College Accountant, the JCR, and General Purposes Committee if required, at the beginning of each term.
- b. Members of the JCR committee may claim funds up to the amount specified for their post in the budget agreed previously with the JCR Treasurer.
- c. All societies and individuals receiving funds from the JCR must report back to the JCR termly, agree to conduct elections as laid out in the JCR constitution and follow the JCR equal opportunities statement.
- d. Individual members of the JCR, college clubs, sports and societies and any non-political organisations may apply for JCR funds by presenting a motion to a JCR general meeting as long as the funds given will be used for the benefit of St Hilda's students or the St Hilda's JCR, and not for any party-political reason. The benefit can be a non-tangible one, and any interpretation of what constitutes a benefit is at the discretion of the JCR executive, in the first instance.
- e. Any motion requesting over £500 must be passed in both the JCR meeting (by a simple majority) where it was first proposed as well as in an online vote open to the entire JCR. This vote should be carried out as per the procedure for Online Votes laid out in Section 1.e.vi of the constitution. The result of this vote should be announced as soon as possible after voting has closed via both email and on the JCR Notices Facebook page. This vote is the responsibility of the Returning Officer. This vote should be accompanied by the full motion as well as the minutes of the JCR meeting in which this motion was discussed. A motion for over £500 will not go to an online vote if it does not pass by a simple majority in the meeting in which it is raised.

7. Constitution

- a. The JCR constitution must be approved and reviewed at intervals of no more than three years, but ideally annually. The date at which the constitution was last reviewed should be displayed on the title page. It is the responsibility of the Executive Committee to ensure that this happens.
- b. Amendments to the constitution may be passed by a Special Majority of a quorate JCR meeting and require a confirmatory Online Vote to pass. Passed amendments become binding on approval by Governing Body. However, there are two additional restraints on constitutional change:
 - i. In light of St Hilda's strong traditions and values, any attempt to remove the position of Womxn's officer from the JCR committee must be passed through a referendum, the call for which must pass through 3 quorate JCR meetings, in which only students identifying wholly or partially as women or as a non-binary gender may vote, by a super majority. In the referendum only students identifying as wholly or partially women or as a non-binary gender are allowed to vote, and two thirds of those who vote must be in favour of abolishing the position in order for the call to succeed. Quorum for the referendum, as with any other referenda, must be 30% of the eligible student body. If the position is abolished Womxn's representation must be allocated to another committee position.
 - ii. The positions of LGBTQ+ Officer, Transgender Officer, BME Students Officer, Disability, Health Conditions and Neurodiversity Officer and International Officer are, in part, representatives for their respective communities. Therefore, their position on the JCR committee should only be decided by those from within the respective communities. Therefore, any attempt to remove these positions from the JCR committee must pass through the same process as outlined for the Womxn's Officer in 7.b.i. As with the Womxn's Officer, in each case, only those who identify themselves as belonging to the relevant community may vote on the matter in the JCR meetings and the referendum. However, as the number of people within each community is likely to vary, the quorum for the vote at the JCR meetings will not be 35 members of the JCR, and the quorum for the referendum will not be 30% of the JCR. Instead, the number voting on the issue at the meetings and in the referendum should be at least 30% of the number of students who registered to vote for the relevant position at the most recent election to that position.
- c. Amendments to Standing Orders may be passed by a Special Majority of a quorate JCR meeting, and become binding without requiring approval by Governing Body. However, in the event of conflict between standing orders and the constitution, the former must give way.
- d. Interpretation of the constitution is the responsibility of the President in the first instance. The President's ruling may be examined by the JCR committee. In the event of disagreement, the matter may be put to a committee vote. In the absence of a Special Majority agreement on the Committee, the matter may then be put to the JCR as a whole. A decision may be made by a simple majority of a quorate JCR meeting. If the President does not accept the final JCR decision, they must present their resignation or call for a referendum on the issue.

- e. The President should ensure that notice of Constitutional Amendments is highlighted when the agenda is distributed.

STANDING ORDERS

1. Types of Motions

- a. Standard Motion – any motion that does not fall in to one of the below specified categories. Such motions abide by normal standing orders and require a simple majority to pass.
- b. Policy Motion – a motion which seeks to create or amend JCR Policy as defined in Section 1.c.vii. Such a motion requires a Special Majority of a quorate JCR Meeting.
- c. Motion of Commendation – The JCR is able to commend individuals and groups whose actions they deem to have had a beneficial impact on the College, JCR, or wider community. Such motions are a subsection of JCR Policy Statements and should therefore require a Special Majority of a quorate JCR Meeting. A Motion of Commendation should not create affiliations in breach of Section 1.d. ii. of this constitution.
- d. Motion of Censure- The JCR is able to censure individuals and groups whose actions they deem to have had a negative impact on the College, JCR, or wider community. Such motions are a subsection of JCR Policy Statements and should therefore require a Special Majority of a quorate JCR Meeting. A Motion of Censure should not create affiliations in breach of Section 1.d. ii. of this constitution.
- e. Constitutional Amendment Motion – A motion which seeks to amend the JCR Constitution. Such motions require a Special Majority of a quorate JCR Meeting and should then be ratified by an Online Vote. Such motions become binding upon Governing Body approval. Notice of such a motion should be highlighted when the agenda is circulated.
- f. Standing Order Amendment Motion - A motion which seeks to amend the JCR Standing Orders. Such motions require a Special Majority of a quorate JCR Meeting and should then be ratified by an Online Vote. They become binding without Governing Body approval.
- g. Motion of Resignation – A motion which seeks the resignation of a member of the JCR Committee. Such motions can be tabled by the President, or by a JCR Member who provides 50 supporting signatories. A passed Motion of Resignation requires ratification through an Online Vote (or Referendum for the President), following procedure laid out in Sections 4.c.iii-v of the constitution.
- h. In the event that a motion is deemed to fall into two or more of the above categories, then it should be passed by the most rigorous procedure out of those applicable. For example, if a motion is deemed a Standard Motion, and also a Motion of Censure, then it should be passed using the procedure for a Motion of Censure. This decision is at the discretion of the Chair.

2. Extraordinary Meetings

- a. Extraordinary Meetings will only accept the motion(s) for which they were convened.
- b. No motion may be discussed unless both the proponent and a seconder are present. The Secunder at a JCR meeting may be a different seconder to who was original listed on the motion.
- c. Order of business:
 - i. President to state reason for Extraordinary Meeting
 - ii. Any Statements from the Executive Committee pertaining to the Motion(s)
 - iii. Motion(s)
 - iv. Any other business
- d. Standing Orders 3d-h remain unaltered.

3. General Meetings

- a. Motions of resignation may not be amended.
- b. No motion may be discussed unless both the proponent and a seconder are present. The Secunder at a JCR meeting may be a different seconder to who was original listed on the motion.
- c. Order of business:
 - i. Matters arising from the minutes of the last meeting.
 - ii. JCR Executive Committee Reports
 - iii. Questions to the JCR Executive Committee
 - iv. JCR Committee Reports
 - v. Questions to the JCR Committee
 - vi. Any speeches of resignation
 - vii. Reports from any person/group that has received a JCR financial contribution.
 - viii. Motions of resignation
 - ix. Constitutional amendments
 - x. Emergency motions
 - xi. Other motions
 - xii. Any other business
- d. The Chair:
 - i. Shall be the role of the JCR Vice President in the first instance.
 - ii. Has the duty to keep the meeting in order at all times, to ensure that no defamatory remarks are made and ensure that the conduct of the meeting is in accordance with the JCR's Equal Opportunities statement.
 - iii. May threaten, in the event of disorder, to resign the Chair, and if disorder still prevails may suspend the meeting or resign the chair, in the first instance, to the JCR President.
 - iv. Must have read, and be familiar with, the JCR Constitution and the JCR Standing Orders.

- v. If the Vice President when acting as Chair has a conflict of interest over a motion, then they should step down as Chair. The Vice President should take it upon themselves to notify the JCR that they have a conflict of interest and will be resigning the chair for a certain motion, as soon as possible – ideally advertising it in the JCR agenda when published. First choice for replacement chair should be the Returning Officer. If the conflict of interest remains with the Returning Officer, or if the Returning Officer is not available, then the Executive Committee should select an ordinary JCR member to sit as chair. This member should have sufficient knowledge of the JCR Constitution and Standing Orders, and their appointment must be ratified by a simple majority in the general JCR Meeting. This procedure does not apply if the Chair is resigning due to a meeting being out of hand, in that case the role falls to the President as laid out in section 1.d.iii of the Standing Orders.
- e. Procedure:
- i. The Chair should begin by checking that the meeting is quorate (as laid out in Section 1.e.viii). If they do not believe the meeting to be quorate it is their responsibility to announce this, and to inform the meeting that all motions that pass in this meeting will be sent for a confirmatory Online Vote.
 - ii. The Chair will address each motion in turn. Having read the motion out in full, the Chair will ask if anyone has any short, factual questions. Questions at this stage should be limited to brief questions eliciting a purely factual response.
 - iii. Once there are no more short, factual questions, or if the Chair feels no new progress is being made, they will ask whether anyone wishes to move into more general discussion, or if anyone wishes to oppose the motion. If this is not the case, the motion will pass *nem con*.
 - iv. If there is a desire to move to more general discussion, or there is opposition to the motion, the Chair should then call upon the proposer of the motion to give a formal speech in proposition, limited to two minutes.
 - v. Once the proposer has made their formal speech in proposition, anyone who wishes is able to raise points, when called upon by the Chair. This debate will go on until either there are no more points of discussion, a procedural motion requesting a move to vote is successfully passed (as laid out in Standing Order 3.f.i.), or the Chair decides to move to vote.
 - vi. When there is a decision to move to vote, the proposer and one other are allowed one-minute summary speeches in proposition and opposition, respectively. Once these speeches have been heard the Chair will ask the JCR to vote by show of hands. Members may vote for the motion, against the motion, or abstain from voting. In the event of a tie, the Chair has the casting vote. If there has been no discussion over a motion between its first being proposed and then voted on, then the proposer has the ability to waive this one-minute speech. This is to avoid situations where a proposer is expected to speak twice, both proposing the motion and before the vote.
- f. Procedural motions:

- i. At any stage during the progress of a motion, any member of the JCR (including the proposer of the motion) may call a move to vote, by calling out the phrase 'move to vote'. When this happens, the Chair must ask whether anyone has any opposition to moving to a vote on the motion. If there is opposition to moving to a vote on the motion, there should be single speeches in proposition of, and in opposition to, moving to a vote, limited to one minute. Once these have happened, the Chair will ask the JCR to vote by show of hands on the procedural motion requesting a move to vote. It must pass by a Special Majority to succeed (as is conventional with 'move to vote' procedural motions at Oxford SU and around Oxford common rooms). If it does so, the Chair should ask for summary speeches, and proceed to a vote, as outlined at Standing Order 3.e.vi. If it falls, the Chair must continue to allow general discussion on the original motion.
 - ii. As well as when the quorate of a meeting is in question an online vote can also be called for by any JCR member if it is deemed that an online vote would better reflect the opinions of JCR members due to its secrecy, or to allow for more people to vote giving a higher mandate to a motion which otherwise might pass without a true mandate. Any JCR Member may call for an Online Vote at any point during the motion, the chair shall then adjourn proceedings to conduct a vote on this proposal. A simple majority is required for the vote to go to an Online Vote which will be carried out as outlined in Section 1.e.vi.
- g. Amendments:
- i. Any member of the JCR (including the proposer of the motion) may suggest an amendment of a motion during its progress. The Chair will then ask if there is any opposition to this amendment.
 - ii. If the proposer has suggested the amendment, and if there is no objection to that amendment from any member of the JCR, since it is felt that the amendment is a common sense one which preserves the perceived spirit of the original motion, it can be accepted without discussion.
 - iii. Similarly, if a member of the JCR has suggested an amendment, and if there is no objection from either the proposer or from any other member of the JCR, since it is felt that the amendment is a common sense one which preserves the perceived spirit of the original motion, it can be accepted without discussion.
 - iv. However, if, when an amendment is proposed, there is opposition to it, then there should be single speeches in proposition of, and in opposition to, the proposed amendment, limited to one minute. Once these have happened, the Chair will ask the JCR to vote by show of hands on the proposed amendment to the motion. It must pass by a Special Majority to succeed (as is conventional on amendments to motions at Oxford SU and around Oxford common rooms). If it does so, it is the amended motion that will be voted on by the JCR. If it falls, the un-amended motion will be voted on.
 - v. Amendments shall be taken in the order that they are raised.
- h. Voting:
- i. Voting in general meetings should be an online vote, only for those present in the meeting by way of an online anonymous voting system.
 - ii. The Executive committee is responsible for choosing a voting platform that they deem appropriate.
 - iii. If the Secretary and Chair feel the vote is compromised, the Chair should resort to a standard in-person vote.

- iv. Note that this type of vote is different and should remain distinct from an 'Online Vote' as defined in 1(e)(vi) of the constitution.

4. Referenda

- a. Any JCR member wishing to call a referendum on any matter arising from JCR business may do so by submitting a petition accompanied by fifty (50) signatures to the JCR Secretary within 48 hours of the JCR meeting concerned.
- b. Quorum for a referendum is 30% of the JCR body. It is the responsibility of the Returning Officer and Secretary to ensure that this is both known, the current threshold announced (obtaining the current number of JCR students from the JCR President) and to check whether it has been met.
- c. Referenda may also be called by either: a motion passed in three JCR committee meetings by a Special Majority; or by a single Special Majority in a JCR meeting supported by a simple majority in a JCR committee meeting.
- d. A referendum is different to an online vote as an online vote will be open for a shorter time than a referendum. A referendum also holds a higher quorate than a standard vote to distinguish mandate and importance from a standard online vote. The outline of both mechanisms is found in the definitions section of the Constitution.
- e. The President may call a referendum without the need for a petition if they do not accept a vote of censure, or a vote on a motion requesting their resignation, or on a matter of interpretation of the constitution. No other JCR officer may resort to this device.
- f. The Secretary along with the Returning Officer shall hold a referendum within seven clear days of receipt of the satisfaction of any of clauses 4.a, 4.c or 4.e of the Standing Orders.
- g. The referendum shall have final jurisdiction over all other JCR decisions except where special procedure is laid down, for example in the case of Section 7.b.i-ii of the Constitution.

5. Policy

- a. The JCR has within its power to make policy statements on the basis of motions passed by a Special Majority at a quorate JCR meeting or any other channel laid down herein; however, these statements must not contravene any part of the constitution. For a policy to be altered or introduced, a Special Majority of a quorate meeting or online vote is required.
- b. JCR policy expires after three years.
- c. All JCR policy shall be recorded or altered accordingly as soon as is possible after the policy is created. At the end of Trinity every year there should be a review and check of policy changes by the Secretary. All current Policy should be available on the JCR website.
- d. Policy should also have a formalised written document, this should vary depending on the motion, in some case it needs to be developed in others it does not need to be long. This should also include all relevant definitions. The final approval of these is to be done by the President.

- e. At the start of each academic year the Secretary should organise a motion to re-adopt any expiring policy that they believe should be re-adopted. Multiple policies can be re-adopted in a single motion, which only requires a simple majority to pass. This mechanism only applies to the re-adoption of policy that has previously been adopted under the provision of section 5.a, and cannot be used to introduce new policy, or alter the content of expiring policy.

6. Complaints

- a. Should a JCR member wish to make any complaint, they may do so in writing to the President of the JCR.
- b. Should the complaint involve the JCR President, the complainant should complain directly to the Dean. JCR Welfare Reps can be contacted to support the individual in communicating with the Dean if the individual deems this beneficial.
- c. The identity of the complainant must remain confidential at all times unless they expressly wish to have their identity revealed.
- d. The content of a complaint should only be discussed with those to whom the matter directly pertains, in the strictest confidence.
- e. If they are dissatisfied with the way the complaint has been handled, they may appeal to the Dean; should they still be dissatisfied with the outcome, they should consult the complaint procedures as listed in the St Hilda's Student Handbook and the University of Oxford Student Handbook.
- f. Information about the complaint and complainant should be retained only for as long as it is required. Should it be necessary to retain information it should be done so securely. The JCR operates under College's policies of Data Protection.²
- g. Where possible complaints should be resolved within two weeks.
- h. If the JCR President requires assistance in understanding the procedure of complaint resolution, they should seek the advice of the College Bursar or Senior Tutor.

7. Handover Reports

- a. All JCR Committee Officers and Reps should write a handover report for their successors to ensure a smooth committee handover.
- b. The previous officeholder should have given this report to their successor by 10th week of Trinity term, unless extenuating circumstances apply and have been communicated to a member of the Executive Team.
- c. All committee members should meet with their successor either in their final term in office, or in their successor's first term in office.

8. Terms of Standing Orders

- a. These Standing Orders shall hold in all ordinary circumstances. However, in truly extraordinary circumstances (for example a Pandemic) the Executive Committee may unanimously agree to exercise their right to a doctored mandate. This permits the President to use their discretion over the Constitution and Standing Orders. If it is deemed that this clause has been exercised incorrectly or maliciously then proceedings to remove the President should be brought forward as laid out in Section 4.c.v of the Constitution.
