(TW: sexual assault**)**

2. Motion Title: Purchase of 50 assault alarms

Proposed by: Ashi Banerjee

Seconded by: Raksha Raghuraman

Motion passed with amendment

Amendments:

- (JG) The JCR resolves to set aside £499 in the budget for the purchase of an unspecified quantity of assault alarms. **(passed)**

Questions raised:

- (JG) How many people have requested alarms? 8.
- (ES) What is the practical difference between alarms of different values? Unsure.

The meeting noted that:

- (RR) The 8 requests made were in a single day thus it is assumed demand will increase.
 - (TL) The proposer could research into a discount from the Rape Crisis Centre/find local alternatives.
 - (TL) The requests for alarms are a matter of urgency.
 - (MA) To make requesting personal safety equipment clearer it could be separated from the form about sexual health.
 - (AB) The current welfare budget could accommodate this, but it would take money away from elsewhere.
 - (JB) Last year's welfare team had a much bigger budget.
-
